A SHORTER PROGRESSIVE BOOK OF PRAYER: ONE WEEK PSALTER (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Engaged. We are nothing, if not engaged. We organize, we march, we speak, we occupy, we resist. Our days and nights, our thoughts and breaths, are filled with the stuff of engagement with each other, with our world, with a dire political, social, and cultural climate that threatens us all. Yes, we engage. We engage mightily, deeply, with every conviction of our heart. Our circumstance so demands. How can we do otherwise? Prayer is engagement. Prayer is surrender. Prayer is giving of self to God, to Creation, to the fullest reality of the complete and overwhelming Presence that can never truly be denied. This book of liturgical prayer, a "shorter" version of A Progressive Book of Prayer, is for all of us. Unlike the Anglicans' Common Book of Prayer or the Roman Catholics' Liturgy of the Hours, there are no formal rules to which you must bend. You are free to use this book in any way that aids in your spiritual or secular or activist journey. This book is not only gender-inclusive, but inclusive of everyone standing for the Common Good. If you are out on the streets, fighting the good fight, if you are on the phone or on the Internet spreading the word about the dignity of all persons, if you know in your heart that discrimination and oppression are evil, that inclusion and respect are holy, this book is for you. Though using format and terminology familiar to Christians, this is a book for all believers. If you like what you've read so far, if you have faith in a Higher Power, you will probably be able to extract much of value to you, your friends, and your cause from the...
